Re: Humphreys v. Vanbridge, an EPIC Company, et al.
Case No. 2 SHP 2022, Pennsylvania Commonwealth Court

Dear Judge Leavitt:

This office represents Defendant Edgewood Partners Insurance Center, Inc. (erroneously named in the caption as Vanbridge, an EPIC Company) (hereinafter "Edgewood") in the above-reference matter.

We write to request a brief extension of time for defendants to serve expert reports in this matter. This extension is requested because Plaintiff's expert will be deposed on September 3, 2026 and even with a request for an expedited transcript, defendants' experts will not have sufficient time to review and analyze the deposition transcript of Plaintiff's expert before the due date of September 9, 2026. This is further complicated by the Labor Day weekend.

We request a 5-day extension of the deadline for defendants' expert reports to Monday, September 14, 2026. With this extension, the parties also request a 5-day extension of time for plaintiff to serve rebuttal expert reports to October 14, 2026. All other deadlines in the current case management order entered on July 31, 2026 would remain the same. We enclose a proposed case management order to reflect this extension.

Counsel for all parties have consented to this proposed modification to the case management order.

Thank you for your consideration.

Very truly yours,

Martin J. Healy

Enclosure
